

- Q1** What are the intended and unintended consequences?
- Q2** What are the positive consequences we want to focus on?
- Q3** What are the not-so-positive consequences we want to mitigate?

Intended consequences

The result of your
purpose led actions

Unintended Consequences

Unforeseen outcomes
of your actions

Act

Immediate ideas
and actions for us

Influence

Not in our direct control
but we want to change or
influence the outcome

Monitor

Out of our control but we
want to understand better
and explore further
